

Our mission at Ashland Blazer High School is to use basketball as a platform to build authentic young men. We want student athletes to leave Blazer and have the tools needed to be successful beyond basketball. Our emphasis on coaching is not limited to just X's & O's, our goal is to develop the whole person. We will work daily to foster personal growth and prepare students to contribute to the success and vitality of their school and community. As a staff, we will foster the academic success of students through graduation and help them become the best version of themselves through athletics.
