

GIRL SCOUTS OF KENTUCKY'S WILDERNESS ROAD

Girl Scouts create the world they want to live in and strive to make it better every single day. They explore their strengths, take on new challenges, and can always be themselves, regardless of background or ability. Girl Scouts lead the way as they discover who they are and how they can make the future a brighter place. They go on outdoor adventures, learn to sail, and give rock climbing a go. They form friendships that last a lifetime. And they do all this while making the world a brighter place.
